

ACCIDENTAL DEATH INSURANCE PLAN

Your Eligibility and Effective Date:

As an Auxiliary Member, you are eligible to enroll regardless of your medical history, provided you are at least 18 years of age and a U.S. Resident.

Your spouse who is at least 18, a U.S. Resident and not legally separated or divorced from you and unmarried children age 26 or younger are also eligible under the family coverage. Your coverage will take effect the 1st of the month following when Amwins Group Benefits, LLC, the Plan Administrator, receives your completed Enrollment Form and your first premium payment.

Coverage may not be duplicated by member and spouse enrolling as dependents of each other and dependent child coverage may be requested only under one plan.

Satisfaction Guarantee:

When you receive your Certificate of Insurance, you have a full 30 days to examine it. If for any reason, you are unhappy with the coverage during this time, return it for a full 100% refund of all the premiums you have paid, minus any claims paid.

Your Premium Rates:

Your specially-arranged premium rate for the Accidental Death Insurance Plan is \$32.50 semi-annually for Individual coverage, or \$52 semi-annually when including your Family. The family plan protects at a percentage of your coverage amount.

Cannot Be Terminated Due to Health or Age:

Your coverage cannot be cancelled by the insurance company as long as you remain a Member of the American Legion Auxiliary, pay the renewal premium when due and the Plan's Master Policy remains in effect. Dependents' coverage ceases when your coverage terminates, premiums are not paid, or they cease to be eligible dependents.

Your Coverage Increases as Your Member Years Accumulate:

Your benefit amounts are determined by the number of years you continually have been a Member of the American Legion Auxiliary. With each year, up through the sixth year, your coverage will continue to grow with no premium rate increase.

Include Your Family:

Your benefits for Loss of Life will be paid: first, to your spouse; second, equally to your children; third, to your estate. When you choose family coverage, your spouse is covered for 50% of the amount of your coverage shown above if your eligible children are covered; or 60% if you have no eligible dependent children covered. In addition, each child has 20% of the amount of your coverage if you have a spouse, or 40% if you have no spouse.

FOUR Exclusive Benefits that PAY:

A Hospital Benefit will be paid when a covered Injury requires a Hospital stay within 90 days of the Injury. The Benefit will also cover subsequent hospitalizations resulting from the Injury for up to two years. The Benefit is payable for a maximum of 365 days. Hospital does not include a nursing or convalescent home, skilled nursing facility, a place for the treatment of mental illness, alcoholism, or substance abuse, a place for rest, custodial care, or care of the aged, or a clinic.

A Recuperation Benefit will be paid for the same number of days that the covered person's Hospital Benefit is paid.

An Outpatient Benefit will be paid when a covered person's Injuries from a covered accident listed below require treatment in the outpatient department of a hospital within 24 hours of the accident. This benefit is payable six times per year for each covered person.

An Accidental Loss of Life Benefit will be paid when a covered person's Injury results in death within 90 days from a covered accident listed below.

Enjoy Coverage for All These Different Types of Accidents:

Automobile, Motor Home, Truck, or Pedestrian Accident-With this accident plan, you and your family (if insured) will be covered while driving or riding in an automobile, motor home, or truck, or as a pedestrian if struck by a motor vehicle on a public thoroughfare. Simple trips to the grocery store or to a friend's house can often lead to accidents that cause injury-sometimes very serious injury. With this Plan, you'll have solid insurance protection for those everyday, 'around town' trips you make all the time.

Aircraft, Bus, Train, Ship, or Taxicab Accident-Unlike some accident plans that only cover you when you're on an airplane, this Plan covers you on any public land or water conveyance operated by a Common Carrier, including as a passenger on a regularly scheduled commercial passenger airplane. This additional coverage helps protect you when you're on vacation, on a business trip, visiting the kids, or simply out enjoying yourself. With this Plan, you now have the assurance that your accident coverage is going with you wherever you go.

Common Carrier means a conveyance operated by a concern, other than the policyholder, organized and licensed for the transportation of passengers for hire and operated by that concern.

Injury means bodily injury resulting directly from a covered accident and independent of all other causes.

Written notice must be given to Us within 12 months of the date You or Your Dependents enter the armed forces); 5) Injury sustained while on any aircraft except a Civil or Public Aircraft, or Military Transport Aircraft; 6) Injury sustained while on any aircraft: a) as a pilot, crew member or student pilot; b) as a flight instructor or examiner; c) if it is owned, operated or leased by or on behalf of the Policyholder, or organization whose eligible persons are covered under The Policy; d) being used for tests, experimental purposes, stunt flying, racing or endurance tests; 7) Injury sustained while taking drugs, including but not limited to sedatives, narcotics, barbiturates, amphetamines, or hallucinogens unless as prescribed by or administered by a Physician; 8) Injury sustained while riding or driving in a scheduled race or testing any Motor Vehicle on tracks, speedways or proving grounds; 9) Injury sustained while committing or attempting to commit a felony. *(Continued on next page)*
